Inglis Hall products are handmade to a very high quality, mostly to order, in our Sussex workshops or by our UK partners. This means that some items can take up to 12 weeks to produce and arrive with you. We always endeavour to deliver more quickly whenever we can, and some smaller items and products that are held in stock will arrive much faster.

FINISHES

CARE

Frame: Oak is a natural material and is subject to variations in colour and finish. The frame is protected by a highly durable lacquer. Spills can easily wipe off with a soft cloth, warm water and a mild PH neutral detergent.

Outer panels: Fenix is a highly durable material and can be cleaned with warm water or household cleaners. Always finish by washing with warm water and then dry all surfaces. Do not use abrasive liquids or pads.

Inner veneer panels: Wipe clean with a damp cloth and then dry. Do not use abrasive liquids or pads.
